The breath remains sweet as a rose!

Another refinement in OLD GOLD Cigarettes is their freedom from unpleasant after-odor.... They leave no disagreeable scent on the breath.... Mellowed by a new method, this new-type cigarette has trebled the pleasures of smoking, with no discomforts to throat, tongue or breath.... It's a *smoother* and *better* cigarette; that's why.

OLD GOLD
Cigarettes

SMOOTHER...BETTER...NOT A COUGH IN A CARLOAD
